RESPONSE TO OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed on March 9, 2004, Applicant through his undersigned attorney respectfully submits this response.

In the Claims

Please add New Claim 3 as follows:

- 3) A method for cleaning water or debris from an automobile windshield while not interfering with the driver's vision comprising the following steps:
- a) Fabricating a windshield wiper arm from a transparent material;
 - b) Fabricating a windshield wiper blade from a transparent material;
 - c) Attaching the wiper blade to the wiper arm to form a combination;
 - d) Providing the combination to the public via retail trade channels;
 - e) Replacing an automobile's conventional windshield wiper assembly with the combination; and
